## MAINLY KEYBOARD FEATURES

**Ant Esports MK3400W is a mechanical keyboard, designed for the most demanding players. It's a combination of high-quality materials with ergonomic design that impresses & fits in the player's room**

### FIGHT AND WIN

High quality replaceable mechanical high-quality blue switches equipped with speed, precision, and your preferred typing experience. This solution guarantees durability and reliability.

### COMFORTABLE FUNCTION KEYS

The full range of multimedia keys allows for convenient control of, among others, multimedia functions. It also provides the tactile and clicky feel of its switches that gamers love.

### ANTI-GHOSTING FUNCTION

Anti-Ghosting is a feature that prevents the keyboard from locking when you press many buttons at the same time. This is a facilitation that allows you to work reliably while simultaneously executing many commands in games.

### RELIABLE CONSTRUCTION

The base of the Ant Esports MK3400W Keyboard is made of durable material, while the keys made in double injection molding technology allow for durable and reliable operation. With an ever-growing list of interactive in-game effects, you can experience more immersive gameplay as your keyboard reacts to your game.
